We need your help!

Sponsor a Beer Drinker!

We're holding a Beer-a-thon fundraiser for Street Outreach Supporters (SOS). It's happening at 215 Storey (near where Mission joins Highway 1) from 5 - 8 pm on Saturday, April 3rd.

SOS is a volunteer group that provides needle exchange in Santa Cruz County. Needle exchange prevents the spread of HIV/AIDS and Hepatitis C. The Beer-a-thon sponsored drinkers will be people involved with SOS who like drinking beer. The more beer they drink, the more money we raise for a cause that benefits the whole community.

We hope you'll sponsor one of our hard working volunteers. You can choose from three types of sponsorship.

- *You can specify a dollar amount for each beer consumed during the event. More beers = more $$$*
- *You can specify a dollar amount per beer up to an agreed maximum # - you will know how many $$$ in advance.*
- *You can make a donation to a drinker before the event.*

Your donation is tax deductible - ask us if you need a receipt.

You're welcome to come join the party - beer will be on sale to sponsors and guests.
